MINISTRY OF INDUSTRY AND SUPPLY

NOTIFICATION

New Delhi, the 12th August 1964

G.S.R. 1156 IDRA/30/1/64.—The following draft of certain rules further to amend the Registration and Licensing of Industrial Undertakings Rules, 1952, which the Central Government proposes to make in exercise of the powers conferred by section 30 of the Industries (Development and Regulation) Act, 1951 (65 of 1951), is hereby published for the information of all persons likely to be affected thereby, as required by Sub-section (1) of the said section; and notice is hereby given that the said draft will be taken into consideration on or after 10th September, 1964.

Any objection or suggestion which will be received from any person with respect to the said draft before the date aforesaid will be considered by the Central Government.

Draft Rules

1. These rules may be called the Registration and Licensing of Industrial Undertakings (Amendment) Rules, 1964.

2. In the Registration and Licensing of Industrial Undertaking Rules, 1962,—

(i) in sub-rule (2) of rule 3, for the figures and words "XXXII—Industries and Supplies—Miscellaneous Receipts", the figures and words "XXIX—Industries—Miscellaneous—Central" shall be substituted;

(ii) in rule 7—

(a) in sub-rule (1), after the words "any substantial expansion of", the words "or the production or manufacture of any new article in" shall be inserted and after the words "undertaking or expansion" wherever they occur the words "or the production or manufacture of the new article" shall be inserted;

(b) in sub-rule (1A), after the words "which has been registered", the words "or in respect of which a licence or permission has been issued" shall be inserted;

(c) for sub-rule (2), the following sub-rules shall be substituted, namely:—

"(2) An application for a licence or permission under the Act—

(a) for the establishment of a new industrial undertaking, where foreign collaboration, import of capital equipment or issue of

capital is involve, shall be made in Form D(I) appended to these rules;

- (b) for the establishment of a new industrial undertaking where no foreign collaboration, import of capital equipment or issue of capital is involved or where a prior application made in Form D(I), under clause (a), has received the approval of the Government in principle, shall be made in Form D(II) appended to these rules,
 - (c) for changing the location of an industrial undertaking which has been registered or in respect of which a licence or permission has been issued, shall be made in Form E appended to these rules,
 - (d) for effecting a substantial expansion to, or for the production or manufacture of any new article in, an industrial undertaking which has been registered or in respect of which a licence or permission has been issued and where foreign collaboration, import of capital equipment or issue of capital is involved, shall be made in Form E(I) appended to these rules,
 - (e) for effecting a substantial expansion to or for the production or manufacture of any new article in, an industrial undertaking which has been registered or in respect of which a licence or permission has been issued and where no foreign collaboration, import of capital equipment or issue of capital is involved or where an application made in Form E(I) under clause (d) has received the approval of the Government in principle shall be made in Form E(II) appended to these rules,
 - (f) (i) where for carrying on the business of an undertaking which was required to be registered under section 10 of the Act but has not been so registered within the period specified for the purpose, after the expiry of such period, or
 - (ii) for carrying on the business of an undertaking the registration of which has been revoked under section 10A, after such revocation, or
 - (iii) for carrying on the business of an undertaking to which the provisions of the Act did not originally apply but became applicable after the commencement of the Act for any reason, after the expiry of three months from the date on which the provisions of the Act became so applicable, or
 - (iv) for carrying on the business of an undertaking to which the provisions of section 10, section 11, section 11A or clause (d) of sub-section (1) of section 13 of the Act did not originally apply on account of an exemption order issued under section 29B of the Act but became applicable thereafter as a result of the cancellation of the exemption order, after the expiry of such period as may be specified in the notification cancelling the exemption,
- shall be made in Form EE appended to these rules

(2A) All applications for licences or permissions referred to in sub-rule (2) shall be made (with ten spare copies) to the Ministry of Industry and Supply, Government of India, New Delhi"

- (d) in sub-rule (3), for the figures and words "XXXII—Industries and Supplies—Miscellaneous Receipts" the figures and words "XXIX—Industries—Miscellaneous—Central" shall be substituted, and the following proviso shall be inserted at the end namely —

"Provided that where an application is made in Form D(I) or Form E(I), referred to in sub-rule (2), it shall not be necessary to

submit another treasury receipt along with the application in Form D(II) or Form E(II) referred to in the said sub-rule relating to the same scheme if and when such application is made.”;

(e) in the said rules, wherever the words “Ministry of Commerce and Industry” occur, the words “Ministry of Industry and Supply” shall be substituted;

(f) for Forms D and E, the following forms shall be substituted, namely:—

FORM D (I)

[Prescribed under Rule 7(2) of the Registration and Licensing of Industrial Undertakings Rules, 1952 (as revised)].

APPLICATION FOR LICENCE OR PERMISSION

(To be submitted with 10 spare copies)

This form is to be used for application for a licence or permission for the establishment of a new industrial undertaking [under section 11 of the Industries (Development & Regulation) Act, 1951] where foreign collaboration, import of capital equipment or issue of capital is involved.

1. Name of the Scheduled Industry or Industries to which the articles proposed to be manufactured relates
2. Name and address of the applicant
3. Name and address of the industrial undertaking
4. If possible at this stage, indicate—
 - (a) whether it is proposed to be undertaken by proprietors, partners, private limited or public limited company
 - (b) Names of proprietors, partners, or Board of Directors and their addresses
 - (c) Name and address of the Managing agents, if any
 - (d) Obligations, rights and privileges of Managing Agents in the constitution and working of the Company
 - (e) How is it proposed to finance the undertaking ?
 - (f) Is any foreign collaboration (whether in the form of royalty or consultancy agreement) or investment envisaged ? If so, the extent and nature of such collaboration. Is it proposed to find foreign exchange for import of capital equipment in any other way ?

5. Proposed location of the factory

Tehsil.....District.....State.....

6. Lines of manufacture proposed :

Name of product and/bye-product

*Proposed (Annual) installed capacity

*Basis of estimating installed capacity should be clearly stated, *viz.*, whether the operation will be continuous or by shifts and the number of shift days assessed for estimating the annual capacity.

7. Manufacturing Programme :

(a) Existing activities, if any :

Serial No.	Items of Production	Existing Capacity		Current Annual Production	
		Quantity/tonnage	Value	Quantity/tonnage	Value

1

2

3

etc.

(b) Final manufacturing programme for items in respect of which this application is made

Serial No.	Item of manufacture	Annual capacity		Estimated annual Production		CIF value of unit product
		Quantity tonnage	Value	Quantity tonnage	Value	

1

2

3

etc.

(c) Forecast of time required for implementation of the project

8. Phased manufacturing programme for 7(b) above, if any :

Year	Item of production	Annual Turnover		Percentage by value of imported content (i. e., total of all imported materials and components)
		Quantity tonnage	Value	

1st Year

(i)

(ii)

(iii)

(iv)

2nd Year

(i)

(ii)

(iii)

(iv)

3rd Year

etc. (Attach a sheet, if necessary)

9. Estimated requirements of main raw materials :

Name of raw material	Whether indigenous or imported, if the latter, the country of origin	Quantity required per year	Estimated Value
----------------------	--	----------------------------	-----------------

10. Requirements of capital equipment

Total value of equipment required :

(i) Imported :

Please give name of the countries in the order of preference

(ii) Indigenous :

11. Indicate requirements of rail transport for movement of raw materials and finished products in the proforma attached .

12. Water Supply :

(a) Will it be ample for requirements of :

(1) Factory, and

(2) township or staff quarters ?

(state approximate quantity).

(b) Will it be drawn from public supply ?

(c) Effluent problems, if any .

13. Power Supply :

(a) Total requirements proposed to be drawn from :

(1) own generating station

(2) public supply

(b) In case of own station give brief particulars of plant in operation .

14. If possible indicate requirements of coal/coke in the proforma attached

15. If possible indicate the estimated requirements of fixed assets *i.e.*, investment in land, buildings and machinery .

Land

Building

Machinery

NOTE :—Where the land and/or building is rented, the capitalised value of the same may be given.

16. Give a brief description of the processes involved in the manufacture and factors favourable for their adoption

FORM D (II)

[Prescribed under Rule 7(2) of the Registration and Licencing of Industrial Undertakings.
Rules, 1952 (as revised)]

APPLICATION FOR LICENCE OR PERMISSION

(To be submitted with 10 spare copies)

This form is to be used for application for a licence or permission for the establishment of a new industrial undertaking [under section 11 of the Industries (Development & Regulation) Act 1951], where no foreign collaboration, import of capital equipment or issue of capital is involved; or where an application in Form D (I) relating to the same scheme has received the approval of the Government in principle.

- 1 Serial No. allotted to the application for industrial licence
- 2 Name of the Schedule Industry or Industries to which the articles proposed to be manufactured relate
- 3 Name and address of the applicant
- 4 Name and address of the industrial undertaking
- 5 Whether it is proposed to be undertaken by proprietor, partners, private limited or public limited company
- 6 Names of proprietors, partners, or Board of Directors and their addresses
- 7 Name and address of the managing Agent, if any
- 8 Obligations, rights and privileges or Managing Agents in the constitution and working of the Company
- 9 How is it proposed to finance the undertaking ?
- 10 Proposed location of the factory :
Tehsil District State
- 11 Lines of Manufacture proposed :

Name of product and bye-product

*Proposed (annual) installed capacity

*Basis of estimating installed capacity should be clearly stated, *viz.*, whether the operation will be continuous or by shifts and the number of shift days assessed for estimating the annual capacity.

12 Manufacturing Programme :

(a) Existing activities, if any :

Sl. No.	Items of production	Existing capacity		Current Annual Production	
		Quantity Tonnage	Value	Quantity Tonnage	Value

1.

2.

3.

etc.,

(h) Final manufacturing programme for items in respect of which this application is made :

Sl. No.	Item of manufacture	Annual capacity		Estimated annual productions		C.I.F. value of unit product
		Quantity Tonnage	Value	Quantity Tonnage	Value	
	1.					
	2.					
	3.					
	etc.,					

13 Phased manufacturing programme for 12(b) above, if any :

FORM E

[Prescribed under Rule 7(2) of the Registration and Licensing of Industrial Undertakings Rules, 1952 (as revised.)]

APPLICATION FOR LICENCE OR PERMISSION

(To be submitted with 10 spare copies)

This form is to be used by Registered industrial undertakings, or undertakings in respect of which a licence or permission has been issued which propose to change the location of the whole or any part of the undertaking [*vide* clause (c) of sub-section (1) of section 13 of the Act.]

-
- 1 Name and address of the applicant
 - 2 Name and address of the industrial undertaking.
 1. Head Office.
 2. Factory.
 - 3 Number and date of registration or of licence or permission under this Act.
 - 4 Scheduled industry or industries to which the articles already produced or manufactured relate.
 - 5 (1) Present location Tahsil District State
 (2) New location proposed Tahsil District State
 (3) Reasons for changing the location
 (4) Whether the change in location will affect the quality or quantity of the articles produced at present. If so, give full particulars of all charges anticipated.
-
- 6 Capital, if any required for the purpose. How will it be secured? Whether by issue of fresh capital or in the form of loan or from other sources. Full details to be given including information whether fresh issues or loans have been applied for and present stage of such applications.
 - 7 Requirements of capital equipment, if any.
 - (i) Imported—
 - (a) from sterling areas.
 - (b) from dollar and hard currency areas.
 - (ii) Indigenous.
 - 8 Indicate your requirements, if any, of additional rail transport for movement of raw materials and finished products.
 - 9 Land required, if any; whether it has been acquired or is available.
 - 10 Power required and whether arrangements have been made therefor.

- II Water required and whether arrangements have been made therefor.

FORM E(I)

[Prescribed under Rule 7(2) of the Registration and Licensing of Industrial Undertakings Rule 1952 (as revised)]

APPLICATION FOR LICENCE OR PERMISSION

(to be submitted with 10 spare copies)

This form is to be used in the following cases requiring foreign collaboration, import of capital equipment or issue of capital :—

- (a) Registered industrial undertakings, or undertakings in respect of which a licence or permission has been issued proposing to effect substantial expansions (*vide* clause (d) of sub-section (1) of section 13 of the Act).
- (b) Registered industrial undertakings, or undertakings in respect of which a licence or permission has been issued proposing to produce or manufacture new articles (*vide* section 11A of the Act).

- 1 Name of the scheduled Industry or Industries to which the articles proposed to be manufactured relate.
- 2 Name and address of the applicant.
- 3 Name and address of the industrial undertaking.
- 4 Please indicate—
 - (a) Names of proprietors, partners, or Board of Directors and their addresses.
 - (b) Name and address of the Managing agents, if any.
 - (c) Obligations, rights and privileges of Managing Agents in the constitution and working of the Company.
 - (d) How is it proposed to finance the scheme?
 - (e) Is any foreign collaboration (whether in the form of royalty or consultancy agreement) or investment envisaged? If so, the extent and nature of such collaboration. Is it proposed to find foreign exchange for import of capital equipment in any other way?

- 5 Proposed location of the factory.

Tehsil.....District.....State.....

6 Lines of manufacture proposed :

NOTE :—Please fill in questions 6A/6B, as may be applicable to your case.

6(A) If it is proposed to manufacture new articles.

(a) Give the following details :—

Particulars of the New Articles Scheduled industry or industries to which they relate	*Annual installed capacity proposed
---	-------------------------------------

(b) If the articles proposed to be manufactured will bear a new mark as defined in the Trade Marks Act, 1940 (V of 1940), give particulars of the mark.

(c) If the articles are the subject of a new patent, give particulars of the patent.

(d) Give a brief account of the circumstances which justify the manufacture of the new articles and the factors which you consider favourable.

6(B) If it is proposed to effect a substantial expansion to the existing undertaking.

(a) State the lines of proposed expansion.

Name of product	Present annual installed capacity	Expansion envisaged	*Annual installed capacity after expansion
-----------------	-----------------------------------	---------------------	--

(b) Give a brief account of the circumstances which justify the expansion of the existing unit and the factors which you consider favourable.

*Basis of estimating installed capacity should be clearly stated, viz., whether the operation will be continuous or by shifts and the number of shift days assessed for estimating the annual capacity.

7 Manufacturing Programme :

(a) Existing activities, if any :

Sl. No.	Items of Production	Existing capacity		Current Annual Prodn.	
		Quantity/tonnage	Value	Quantity/tonnage	Value

1

2

3

etc.

- (b) Final manufacturing programme for items in respect of which this application is made.

Sl. No.	Item of manufacture	Annual capacity		Estimated annual Prod.		CIF value of unit product
		Quantity/tonnage	Value	Quantity/tonnage	value	

1

2

3

etc.

- (c) Forecast of time required for implementation of the project.
8. Phased manufacturing programme for 7(b) above, if any :

Year	Item of Production	Annual Turnover		Percentage by value of imported content (i.e. total of all imported raw materials and components)
		Quantity/Tonnage	Value	

1st Year

(i)

(ii)

(iii)

(iv)

2nd Year

(i)

(ii)

(iii)

(iv)

3rd Year

etc. (attach a sheet, if necessary).

9. Estimated requirements of main raw materials and their value.

Name of raw material	Indigenous or imported	Quantity used in previous year	Quantity required for full present capacity	Additional quantity necessary for expansion and its value
----------------------	------------------------	--------------------------------	---	---

10. Requirements of capital equipment, if any:
Total value of equipment required :

(i) Imported :

Please give name of the countries in the order of preference.

(ii) Indigenous :

11. Indicate any additional requirements of rail transport for movement of raw materials and finished products in the proforma attached.

12. Water Supply : (additional requirements).

(a) Will it be ample for requirements of :

(1) factory, and

(2) township or staff quarters ?
(State approximate quantity).

(b) Will it be drawn from public supply

(c) Effluent problems, if any.

13. Power Supply :

- (a) Total additional requirements proposed to be drawn from :
- (1) own generating station
 - (2) public supply.
- (b) In case of own station give brief particulars of plant in operation.

14. If possible indicate additional requirements of coal/coke in the proforma attached.

15. If possible indicate the estimated value of fixed assets *i.e.* investment in land, buildings and machinery.

	Existing	Additional	Total
Land—			
Building—			
Machinery—			

NOTE :—Where the land and/or building is rented, the capitalised value of the same may be given.

16. Give a brief description of the processes involved in the manufacture and factors favourable for their adoption.

FORM E(II)

[Prescribed under Rule 7(2) of the Registration and Licensing of Industrial Undertakings Rules, 1952 (as revised).]

APPLICATION FOR LICENCE OR PERMISSION

(To be submitted with 10 spare copies)

This form is to be used in the following cases where no foreign collaboration, import of capital equipment or issue of capital is involved; or where an application in form E(I) relating to the same scheme has received the approval of the Government in principle.

- (a) Registered industrial undertakings, or undertakings in respect of which a licence or permission has been granted, proposing to effect substantial expansions (vide clause (d) of sub-section (1) of section 13 of the Act.)
- (b) Registered industrial undertakings, or undertakings in respect of which a licence or permission has been granted, proposing to produce or manufacture new articles (vide section 11A of the Act.)

- 1 Serial No. allotted to the application for industrial licence.
- 2 Name of the Scheduled Industry or Industries to which the articles proposed to be manufactured relate.
- 3 Name and address of the applicant.
- 4 Name and address of the industrial undertaking.
- 5 Names of proprietors, partners, or Board of Directors and their addresses.
- 6 Name and address of the Managing Agent, if any.
- 7 Obligations, rights and privileges of Managing Agents in the constitution and working of the Company.
- 8 How is it proposed to finance the undertaking?
- 9 Proposed location of the factory :
Tehsil..... District..... State.....
- 10 Lines of manufacture proposed:
- 10(A) If it is proposed to manufacture new articles
(a) Give the following details—

Particulars of the New articles	Scheduled Industry or industries to which they relate	*Proposed (annual) installed capacity.
---------------------------------	---	--

- (b) If the articles proposed to be manufactured will bear a new mark, as defined in the Trade Marks Act, 1940 (V of 1940), give particulars of the mark.
- (c) If the articles are the subject of a new patent, give particulars of the patent.

- (d) Give a brief account of the circumstances which justify the manufacture of the new articles and the factors which you consider favourable.

10.(B) If it is proposed to effect a substantial expansion to the existing undertaking.

- (a) State the lines of proposed expansion.

Name of product	Present annual installed capacity	Expansion envisaged	*Annual installed capacity after expansion
-----------------	-----------------------------------	---------------------	--

- (b) Give a brief account of the circumstances which justify the expansion of the existing unit and the factors which you consider favourable.

*Basis of estimating installed capacity should be clearly stated, viz., whether the operation will be continuous or by shifts and the number of shift days assessed for estimating the annual capacity.

II. Manufacturing Programme :

- (a) Existing activities, if any :

S. No.	Items of production	Existing capacity	Current Annual Production
		Quantity/ Value tonnage	Quantity/Tonnage/Value

1.

2.

3.

etc.,

- (b) Final Manufacturing programme for items in respect of which this application is made :

Sl. No.	Item of manufacture	Annual capacity	Estimated annual productions	C.I.F. value of unit product
		Quantity tonnage/Value	Quantity/Value tonnage	

1.

2.

3.

etc.,

12 Phased manufacturing programme for
12(b) above, if any :

Year	Item of production	Annual Turnover	Percentage by value of imported content (i.e. total of all imported raw materials and components).
